

Close families don't just happen; they're made. But how? In this book you will find a fresh perspective on age-old principles designed to help every family actively focus on the things that matter most. Both thoughtful and practical, this book gives you 250 creative and meaningful ways to bring your family closer to each other and closer to God. The unique ideas in this book are simple to implement and universal in nature. The many suggestions include thought on how to: center your home life in Jesus Christ. love each other deeply; from the heart. teach your family principles, not rules. create and maintain family traditions. create happiness along the way. Within these pages, you will find greater understanding about not only your responsibilities to your family but also your abilities to bless them; divinely appointed abilities to create the type of home and family that will bring the greatest joy. With these tools to turn your good intentions into actions, you can begin NOW to enjoy more fully the blessings of a connected family.
