

Welcome to the town of Promise, deep in the heart of Texas! Promise, a ranching community in the Hill Country, has a mysterious past. Yet it's the kind of place that represents the strength of small-town and rural America. Because Promise is built on family and friendship. Hard work and endurance. Laughter and, above all, love. Nell's Cowboy Nell Bishop, widowed mother of two children, is turning her property into a dude ranch. And one of her first guests is Travis Grant, an Easterner known for his books about the West. Her kids adore him and she has to admit she's drawn to him, too. But Nell isn't ready to fall in love again. Or is she? Lone Star Baby Wade McMillen might be a minister, but he's also a man. An unmarried and very attractive one. So is it as a man that he responds to Amy Thornton when she shows up in Promise, pregnant and alone? Or as a man of God? Maybe it's both. Debbie Macomber brings the people of Promise, Texas, to life as she blends drama, romance and adventure. • RT Book Reviews
