

This unique Ebook is an open invitation for every person who wants a different way of thinking about building a home-based online business, in a way that delivers high value to others, is compatible from start to progress, and attracts happy customers who go out of their way to refer more savings to others. Good friends don't let friends pay top prices anymore in the Golden Age of E-Commerce. It is a welcome open door for frustrated, broke network marketers who feel so beat up from the current state of affairs that they just don't believe anything they read anymore. This story creates a new Big Picture and inspires your core beliefs in your future by innovating a simple way of looking at the time-proven positive principles of network marketing and making them work in a fair and democratic way. It is an alternative for busy regular people who do not want spend endless hours and time mastering internet marketing skills but who are savvy enough to realize the massive wealth transition between the old economy and new online Digital Economy. In fact, fast growing trends are poised for explosive growth and can be one of the most significant solutions to current unemployment and retirement challenges, This unique call to action builds on sharing better prepared experiences with your prospects BEFORE you show your business site for consideration. You want a plan with no critical pieces missing where huge changes in the economy, prosperity mindset, power of message vs sales, and internet marketing are core values at a communal level and not easily denied. It addresses the one requirement you need based on a common expression where you can still harness the massive power of Internet technology and profits without technical experience. This system will work for every family looking for a better lifestyle and financial stability. It doesn't matter your state of mind: - you consider yourself an Internet newbie - you really don't like selling - you have no clue how to drive traffic, build lists or engage in social media - you are time poor - you are tired of puny commission checks - you are a 6 figure earner and want to go to 7 Do you know what I mean?

When you read the introduction to How 5 Stars Make Money Online for Regular People, you will discover a King's virtual challenge and a winning solution for a fair and democratic home business for every family who is interested. It opens up a variety of choices, offers one key based on a common expression, and presents a hand-drawn one page road map. regular people can do! Your days of living in mediocrity in the Age of Abundance on the Internet may be over. Lucky for you! I certainly look forward to learning more about your experiences. Comments and questions are always welcome. Annemarie Berukoff Fair and Democratic Home Business Mentor
