

The White Frontier has fallen. Four centuries have passed since the Secundan Empire was all but destroyed. Now Secundas people are threatened once more. This time, with their backs to the mountains, they have nowhere left to run. Uthiel Caellar and his young brothers don their knights plate and mail and go to war with the greatest heroes of the land, their youthful lust for glory to be brutally pitted against the horribly harsh reality of all-out war. As Secundas sons start to fall to the horde and a fell god who feeds on the weakness of the proud and strong, can Uthiel and his brothers survive the bloodshed?
