

WebFoot Fables is a series of twenty-one educational books dedicated to reinforcing basic value lessons in today's youth while stimulating creativity and imagination. Web-footed friend Uriah H. Otter, also known as UH-O, takes children on uniquely entertaining adventures throughout the world while teaching "Pearls of Wisdom" to live by. Each book is a leg of an itinerary as our hero, Uriah H. Otter, makes his way around the world learning the secrets of life. Starting his adventures in the U.S.A. Uriah meets up with a tarantula and discovers that beauty is only skin deep. In Mexico he befriends an iguana to learn nothing ventured, nothing gained. Traveling across the Pacific Ocean a kindly turtle demonstrates that a friend in need is a friend indeed, and down under in Australia, Uriah convinces an emu there's nothing to fear but fear itself. Colorful illustrations and highlighted text also teach vocabulary, geography, ethnology, foreign language, articulation and so much more. This series allows a child to discover and explore which is instrumental in developing imagination, self-confidence, self-esteem, creativity, problem-solving and cooperation.
